Plan# **1282**

The "Braxton", Plan# 1282, is a smaller ranch home with 3 Bedrooms and Garage. The brick and vinyl siding combination adds much appeal to the design of this plan. The private entry opens into a roomy living area with a large coat closet, an open dining area and the Kitchen off to the left. The laundry is convenient to the Kitchen and has a closet and space for a freezer. The Master Bedroom has a private Bath with linen closet and double vanity. Also, you'll find a walk-in closet with shoe storage. A full Bath is centrally located to the other two Bedrooms which are found at the front of this efficiently designed home.
