A "Bonus Ranch" would well describe The "Rainer", Plan# 2386. This plan has everything for ground floor living with a "Bonus" upper level to use as needed. The Main Level has 3 Bedrooms and 2 Baths, with the Master Bedroom having 2 walk-in closets and a large Bath/dressing area. A Sunroom is located adjacent to the Great Room and Master Bedroom. A 2-Car Garage and a covered entry are also nice features of this plan. Another full Bath is found upstairs along with a storage and bonus room being among the many advantages of this plan.
